"The Strength of Twenty Men."

When Shakespeare employed this phrase he referred, of course, to healthy, able bodied men. If he had lived in these days he would have known that men and women who are not healthy may become so by taking Hood's Sarsaparilla. This medicine, by making the blood rich and pure, and giving good appetite and perfect digestion, imparts vitality and strength to the system.

The non-irritating cathartic—Hood's Pills.

For coughs and colds there is no medicine so effective as BALLARD'S HOREHOUND SYRUP. It is the real remedy. Price 25 and 50 cents. Sold by F. B. Little & Co. and Wheeler & Son.

Two trains daily on the Choctaw between Howe and El Reno. See agent.

Pretoria, April 25, delayed.—Part of the Hebble shell factory here blew up last night. Ten men were killed and thirty-two wounded. The explosion is believed to be due to treachery. Most of the important machinery was saved. The factory has been working double time for weeks.

Mine, Nevada's Triumph.

[From the Philadelphia Times.]
[By wire from a staff correspondent.]
New York, November 12.—Nevada's debut in concert here tonight was a notable triumph for the great cantatrice. No such popular demonstration has been made in favor of a singer since the palmy days of Patti. She was loaded with floral tributes, and forced to sing until nearly exhausted. Gowned in a pure white silk dress, one of Worth's creations, she was a picture of beauty.

Republican State Convention.

Scripps-McRae Press Ass'n.
Columbus, O., April 26.—The Republican state convention yesterday nominated L. C. Laylin for secretary of state and the rest of the ticket, except food commissioner for which there was a contest, by acclamation.

The convention was very harmonious.

ISSUES

Of the Campaign are Three--

Mr. Bryan Denies a Raw Story.

Scripps-McRae Press Ass'n.

New York, April 26.—Wm. J. Bryan has telegraphed the Journal from Clay Center, Kansas, denying that he had dropped the silver question. He reiterates that three questions are dividing public attention, money, trusts and imperialism, but he has never attempted to fix their relative importance.

Washington, April 26.—The Democratic political gossip continues to discuss ex-Governor Pattison as a running mate for Bryan. It is thought the dissatisfaction caused by Quay's defeat will throw many Republican voters to the Democratic ticket. Pattison will also be very popular in the state.

SATURDAY MATINEE.

The Flatboat Tourists Will Appear to

On Saturday afternoon a grand matinee will be given at the opera house. The program will be a pleasing one, in which will be shown the flatboat that Wm. Brooks, Dick Kimball, Melville Carter and Harry Weinberger will sail down the Cimarron to the Arkansas, and from there to the Mississippi and on to New Orleans. They intend to have an enterprise partly for the purpose of advertising Oklahoma and to have a charming summer outing. They will go to New York and Halifax before returning to Oklahoma. They expect to leave on the first of May.

Imperial Troops do Battle.

HOW HE DID IT.

A. P. Portwood Was Determined to Con-

dict Hillman and Perjured Himself.
The A. P. Portwood perjury case has shook up the negroes. They don't see how a case like that could be made against a negro. It happened as follows:

Two witnesses for the prosecution of Hillman, Henry Hollowell and Moses White, testified that they met Holt at the door of the restaurant, coming out with his hand over his eye and that blood was flowing from a wound. Portwood, also a witness for the prosecution, testified that Henry House, a negro, and he were walking on the opposite side of the street and, hearing the noise, crossed and went into the place and that Holt was lying on the floor. House was examined and testified that Portwood and he met Holt coming out of the door. This testimony confused the jury and they came in for instructions from Judge Burford and were out 24 hours before reaching a verdict.

In his argument for the defense of Hillman Attorney Jarvis called attention to the testimony of Portwood, going so far as to denominate him "a conscientious liar."

After the verdict was reported Judge Burford called Portwood into court and informed him that he would be held to answer to the grand jury upon the charge of perjury, and that his bond would be fixed at \$500. He secured bond soon afterward and kept out of jail.

To Cure Constipation Forever.

SERIOUS ACCIDENT.

Dr. R. D. Love is Thrown From a Buggy

Near Ripley.
Dr. R. D. Love of Perry was here yesterday. On the 23rd inst. he met with a serious accident by being thrown from a buggy while driving down a hill near Ripley. He fell on his right elbow, fracturing the forearm just below the elbow joint. He came to this city and was attended by Dr. Barker and other friends, who aided in making things as pleasant for him as possible. The injury is such as will deprive him of the use of his arm for a long time.

The Nerve of a Tailor

Has almost passed into a proverb.

Some tailors have the nerve to charge \$35 and \$45 for suits that ought to be \$25 and \$35. You get \$25 in the suit and the rest is nerve.

Our pricing nerve is weak. Your suit is all you pay for at this establishment.

Fair ability in our line, an honest desire to do what is right, is part of our stock in trade. High pricing nerve has no abiding place in our shop. We put the same honest interlinings and workmanship in our \$25 suits that we do in our finer, higher-priced ones. We again ask your attention to our

BUSINESS SUITS AT \$20 TO \$30 AND TROUSERS AT \$5 TO \$12.

We know there is money saved in these prices to you.
